MISSIONS SUNDAY CHALLENGE

Elim's World Missions Sunday takes place on 26th June when our Elim churches hold special missions events to raise awareness of missions, pray and raise funds. We are setting a challenge to everyone to save on their supermarket/food shopping for one week during June and send the money saved to Elim Missions to help share the good news of Jesus across the world. To see a helpful (and amusing!) video click on www.elimmissions.co.uk/challenge2011

THE END BIT

- How is it one careless match can start a forest fire, but it takes a whole box to start a campfire?
- Dolphins are so smart that within a few weeks of captivity they can train people to stand on the very edge of the pool and throw them fish
- A bank is a place that will lend you money if you can prove that you don't need it
- Whenever I fill out an application, in the part that says, 'If an emergency, notify...', I always put 'DOCTOR'
- I didn't say it was your fault, I said I was blaming you
- You don't need a parachute to skydive, you only need a parachute to skydive twice
- Some cause happiness wherever they go, others whenever they go
- Change is inevitable, except from a vending machine
