

JULY 2011

CAMBODIA

Thanks to an individual's donation the Cambodia Team has been able to purchase a Minivan and Tuk Tuk with motor cycle. The Minivan will provide safer transport and better facilitate the transportation needs of the ministry. It is hoped the Tuk Tuk can also be used to generate finances.

THE END BIT

- Two blondes walk into a building – you'd think at least one of them would have seen it!
- I went to buy some camouflage trousers the other day but couldn't find any
- Our ice cream man was found lying on the floor of his van covered with hundreds and thousands – police say he'd topped himself
- Someone actually complimented me on my driving today. They left me a little note on the windscreen saying 'Parking Fine', so that was nice.
- A man walked into the doctors and said, 'I've hurt my arm in several places.' The doctor said, 'Well don't go there anymore.'
- Nostalgia isn't what it used to be
