### ELIM CONFERENCE AND BIBLE WEEK

This takes place at Prestatyn from 30<sup>th</sup> May to 6<sup>th</sup> June. We are holding a special Missions Celebration on the Sunday evening at 7.15 in the Fun Factory (Ballroom) and would love you to join us. Our special speaker is Tudor Botwood. He's chaplain to 42 Commando Royal Marines and has just returned from Helmand Province in Afghanistan. Tudor says, *"Chaplaincy is still valued very highly in the military. The type of problem varies considerably from missing home to someone trying to come to terms with killing another human being."*

As part of the Sunday evening Celebration we're going to have a short questions and answers session. If you have any questions you would like Tudor to answer, please email Kathy on [kcooper@elimhq.net](mailto:kcooper@elimhq.net)

### WEEK OF PRAYER UPDATE

We were really encouraged by the prayer support from so many people here in the UK and around the world during our Week of Prayer. Thank you very much. We had many reports and would like to share two with you. When praying one person had a recurring vision of rockets being fired from this country into different places, representing the prayers that were having an effect in the various countries of the world. And another person saw a great hunger for God's truth in so many lives, with God pointing at each of us to be ready to let His truth be reflected from our lives to the lost.

### **ONE LINERS**

Don't let your worries get the best of you; remember, Moses started out as a basket case  
Some people are kind, polite and sweet-spirited until you try to sit in their pew  
Many folks want to serve God, but only as advisors  
It is easier to preach ten sermons than it is to live one  
If the church wants a better pastor, it only needs to pray for the one it has  
Some minds are like concrete - thoroughly mixed up and permanently set  
Be fishers of men - you catch them - He'll clean them  
Coincidence is when God chooses to remain anonymous  
Forbidden fruits create many jams  
God doesn't call the qualified, He qualifies the called
