

Prayerline of Elim International Missions for the week Sunday 5th December to Saturday 11th December 2010 inclusive.

NEPAL Nepal has been declared a secular nation and is currently in a state of political transition. As the country is restructured and a new Constitution written, pray that freedom of religion will be granted. On 4th December Jane arrived back in the UK. She will have surgery on 8th December in Sheffield to remove her gall bladder. Pray the operation will be a complete success and she will recover speedily.

SPAIN The funeral of Jay Knox takes place on Wednesday 8th December. Pray that God will support and comfort John, Valerie, Philip and the other members of the Knox family at this time.

CONGO Pastor Colin Howard will be in Congo from 7th December to 10th January. He will be spending time with his daughter Debbie, ministering in churches and speaking at a pastors' training day. Pray that Colin will have an excellent visit.

FOCUS GROUP A Central & South America Africa Focus Group takes place at Elim International Centre on Tuesday 7th December. Pray for safe travelling for everyone attending and for Holy Spirit guidance in all the discussions that take place.

SWAZILAND Pray for Jane Bradshaw and the team as they run mobile clinics at Hawane Farm caring for people in the community. Siphon preaches the gospel and prays for everyone who attends the clinic; Dudu and Sindy translate, take blood pressure and de-worm patients; Nomsa does HIV testing and counselling. Nearly 200 people attended the clinics last month and three gave their lives to the Lord. Pray for Jane and the team as they carry out this important ministry.

BURKINA FASO Gary Spencer (Derby) leaves for Burkina on 5th December where he will be working with Boureima Diallo and joining Matt Butler (Christchurch) who is already there. He returns to the UK on 5th January. Pray for safe travelling for Gary and for an excellent visit.

ONE OF OUR WORKERS Verdon is working with a people group in the UK. He goes into hospital on Monday 6th December to have part of his pancreas removed as the cyst there appears to have malignant cells. He is likely to be in hospital for two to three weeks. Please pray that there will be no complications, that no more cysts will be found and that everything will be successful so he can return to ministry.
