

Prayerline of Elim International Missions for the week Sunday 7th November to Saturday 13th November 2010 inclusive.

INDIA

Harry is taking a two-day seminar on Leadership in the Burmese church in Delhi on 8th and 9th November. Pray that God will raise up leaders in the Burmese community. Pray for Harry to have wisdom and Holy Spirit guidance during preparation and the seminar itself. Pray too for understanding and good fellowship with those attending.

JAPAN

Pray for Jim and Kayo Davies ministering in Japan. Pray for Kazuko who became a Christian earlier this year and was baptised at the end of September. Pray her faith will deepen and she will reach others through her witness. Pray for Mieko who has started attending the meetings. She reports that God has healed her from back pain. Mieko is nearly completely deaf – pray that God will unstop her ears. Pray that she will commit her life to Christ.

INTERNATIONAL DAY OF PRAYER

The International Day of Prayer for the Persecuted Church takes place on Sunday 7th November. There are many countries in the world today where Christians face violence, imprisonment and even death for their faith. On Sunday 7th November join with Christians worldwide to remember the thousands of our Christian brothers and sisters suffering because they confess Jesus Christ as Lord. Pray for those in prison, those who are hungry, families who have seen their homes burnt to the ground, pastors beaten and tortured for their faith, those living in constant fear, those mourning the loss of loved ones, those who right at this moment are facing death. Let us unite in prayer for the persecuted Church, *'For if one suffers, we all suffer.'*

SPAIN

Valerie Knox is home following surgery to remove a tumour in her colon. Praise God the MRI scan showed the tumour was localised. When pathology results are known a decision will be made whether further chemotherapy will be necessary. Pray for a swift recovery for Val with no complications.

John Knox is now undergoing six weeks of radiotherapy and chemotherapy to reduce the size of the tumour in his oesophagus before surgery to remove it. Pray for successful treatment with no side effects.

HAITI

Tropical Storm Tomas is fast approaching Haiti and the 1.3 million people living in tent villages have been urged to find sturdier shelter - but they have nowhere else to go. And health workers fear the heavy rain will exacerbate Haiti's cholera epidemic. Pray that the approaching storm will not be as bad as feared. Pray that those in tent villages, who have already suffered so much, will not be affected.
