

June 2011 Report

Greetings to you in the most Exalted Name of our Lord and Saviour Jesus Christ.

For God has caused me to be fruitful in the land of my affliction. Gene. 41:52

Thank you so much for your kind prayers for the Orphan children urgent school needs. By the Grace of the Lord we have distributed school bags, Books, Text Books, Zamendry Boxes and Bed Sheets so far in the most of the Orphanages. We have invited Local authorities for distribution program in every orphanage. Still we are working and organizing School Uniforms, Shoes, Boxes and plates etc.,. We will continually pray and trust that our Faithful Lord Jesus will help each and every child what they need in the Orphanages.

On 4th July our Orphanages Incharge people informed me that our number of Orphan children already over gone 2000 Orphans in our 28 Orphanages and every day more orphans coming to our orphanages. When I heard this news, I remembered the day I was visiting George Mullar Orphanage ground seven years ago along with our dearest Brother David Bussey. When I went to George Muller's orphanage ground in Bristol, I knelt down on the open ground and cried to the Lord Jesus and I asked Lord! If you trust me that I am faithful to see 2000 Orphan children in our Grace Homes, Lord give me 2000 Orphan children. On 4th July 2011, I deeply realized of my prayer and cry seven years ago now answered. Today the Lord answered my prayer with great responsibility. Many orphan children coming to our orphanages everyday. 40% of children have no sponsors yet, but thank God for timely gifts contributed by friends, churches and individuals towards Orphans needs.

My dear friend, I humbly request you to kindly continually pray for me and for my people that we may help these orphans to make sure that they will grow in our Grace Homes as Army of Jesus Christ to promote Gospel Message of Christ to the Nation of India and to become tomorrow's leaders of the Nation. Today I was visiting one of the heart doctors in Khammam due to my chest un-easiness, the Doctor said to me, Jacob! your Jesus is great, then he added train up great leaders for India. That word strongly touched me. Today we need great Christian Leaders in every country to establish God's justice for human race.

humble brothers in the Mission field. At the end of the meeting we have distributed Mangos to all Native Missionaries.

About Bible College Project:

We are praying to open Bible College Building Project 19th August 2011. Please pray that the Lord may provide needful resources to finish balance work of the Building, such as flooring, Painting, Electricity Equipments, Sanitary equipments, College equipments and windows and doors and etc.,...

Good News:

I praise God, I am glad to inform you that on 29th of June 2011, our First Self Sufficient project Broiler Farms with 11000 Chicks started. We thank God for Brother Philip an family, and Brother Jim and Family, who made sacrificial contribution towards the Land and two Chicken houses.

Future Plans:

We are continually praying for God's timing and resources for Layer Chicken Farms that would create three possibilities:

- (1) Supplying eggs for Orphans
- (2) Creating work for poor families
- (3) Raising support for Native Missionaries, Orphans, Lepers and etc.,...

Growing work is challenging for daily resources to under take massive responsibility of Orphans and other activities. Over 6000 meals needed per day just for Orphans. We are praying and trusting God to see some possibilities to create work and resources for God's work in India in the future days.

Prayer Requests:

Since number of Orphan children increased in Khammam Grace Orphanage where we have over 700 children currently, by faith and prayer we have started Dinning hall building construction. We have small resources at least to start the work. Due to rains, children facing much difficult to eat their three meals out side. Existing Dinning Hall building, we only built for 200 children, but now number of children increased so we have given that place for Girls accommodation. Kindly pray that the Lord may provide resources to finish this new Dinning hall building for Orphans safety.

Thank you so much for your prayers for my wife Elizabeth and for my family. We are forever grateful to our Saviour Jesus Christ and all friends given by the Lord.

Bishop. M. Jacob,
GTSSS- India.
