

Rachel's Pedlow Prayer Request

Hey as some of you know I am going to Knoxville Tennessee to the House of Prayer under Lionheart Ministries for 3 months for an Internship. I will be leaving on 31st Dec and returning 28th March.

I will be undertaking 50 hours a week in the Prayer room, which will include worship, intercession, participation in prayer watches as I am assigned to them (after my training), and personal time with the Lord.

I'm really excited to see what the Lord has for me and I'm looking forward to growing and learning more. It has been on my heart for about 3 years to go away to study and seek God more and the opportunity opened up supernaturally to me when I thought it was impossible God made it possible.

Prayer points are that the finances come in so I can go and traveling mercies.

I will be staying with a family whilst I am out there so pray that I am able to get to know them and settle in well. Please pray that I will make some new friends and pray that I make the most of every opportunity that God opens up to me.

Thankyou
God Bless
Rachel
